Cold snacks

Discover a alluring array of cold snacks at Foodcase, perfect for any occasion. Indulge in our Mezete hummus, which comes in several flavours and grissini bread stick, offering creamy textures and bold flavours that will delight your taste buds.

But the deliciousness doesn't stop there. Dive into our premium selection of premium flavoured nuts, bursting with savoury, sometimes spice and sweet notes that are sure to tickle the tastebuds, a personal favourite is the black truffle cashews! For a taste of the Mediterranean, savour our marinated olives, packed with rich and tangy flavours that transport you to sunny shores and are great with a cocktail or mocktail.

Looking for something to munch on during movie night? Our nachos with various dips are the perfect snack to satisfy your cravings while you relax and unwind. And for those who prefer a saltier crunch, our pretzels are always a crowd-pleaser.

This is just a glimpse of what we offer. We also provide delicious gluten-free and other allergy-suitable options to cater to every dietary need. Whether you're snacking solo or feel like sharing, Foodcase has something for everyone, if you are looking for something you cant see in this selection, let us know and our dedicated procurement team will source it

Snacking Made Good

MadeGood® - Packed with organic ingredients and unbeatable taste.

We make snacks that are better for you, in a way that makes the world better for everyone.

From the beginning, our founders set out to make snacks for everyone. We set up a dedicated nut-free facility and sourced pure, uncontaminated, organic, certified gluten-free oats. We became a Certified B-Corp and with our Zero Waste commit to a 100% sustainable packaging action plan.

All our snacks are free from the most common allergens, they are organic, vegan and contain nutrients from vegetable extracts.
